## THE FIRST TEST OF STRENGTH.

McKinley Men Adopt the Majority Report of the Committee on Credentials—Great Speech of Senator Teller for Silver.

ST. LOUIS, June 18.—The vice-presidential situation bids fair to take the convention out of the fearlessness which has so far marked the sessions. It is as pretty a three-cornered fight as has been seen in a long while, and although the Platt adherents, with a courage obtained from the leader, who never seems to lack it, claim that if Morton wants it, he can have it, it is nevertheless less patent that they feel that Mr. Reed would be the candidate if his opponent to take the place was obtained. The New Jersey delegation, with their candidate, Garrett Hobart, are campaigning actively for him and have obtained the support of the Miller element. Nor is this latter element dismayed at the Platt claims of victory for their candidate. It is asserted by them they will effect a combination that will favor Morton's chances.

The Evans adherents are not out of the race and a portion of the Ohio delegates, who are opposed to Platt and Morton, are working energetically for the confidence of the Platt men is, however, a trifle discouraging to the others, but it is thoroughly well known that Mr. Platt will never stand a second hearing and will not pull Morton in the race for vice president unless he is positive he has enough votes to elect him.

Mark Hanna, McKinley's manager, still retains his silence as to which side of the New York state controversy he will endorse, claiming that until his candidate receives the nomination it would be both unwise and unpatriotic for him to do so.

The Miller men assert he will not under any circumstances and Mr. Platt, and Mr. Platt himself believes this, and has no fault to find with Mr. Hanna's silence, saying that the Miller people were his chief supporters in New York state. But the Quay-Lodge-Alger-Platt combination is very strong, and their probability of winning seems brighter.

Convention Called to Order.

The enthusiasm lasted for several moments, the vast audience cheered, yelled and shouted. Tuesday the mention of the names of the great leaders of the party evoked no demonstration. Yesterday it was like applying a match to a powder magazine to mention a distinguished name, and several times when there was no occasion for the exuberant gallantries concluded their explosion with a chorus of shouts for McKinley.

At the morning session there was a brief contest over proceeding with the election of permanent officers before the report of the committee on credentials had been heard. Senator Wellington and Congressman Mudd of Maryland and Delegate Littlefield of Maine vainly protested that it was irregular and that there was no convention until the credentials of the meeting had been passed upon, but their angry protest was not as loud as the cheer for the wind.

The convention, beaming over with delight, was in no temper to be denied. In the afternoon session the first test of strength between the McKinley followers and Morton came, and although the issue presented was not as strong as McKinley, it demonstrated the fact after all the candidate has a clear majority of over 100 in the convention.

The question was the adoption of the report of the committee on credentials which ratified the action of the national committee, giving almost all the 150 contested seats to the McKinleyites, and decided the Texas contest in favor of the Grant (McKinley) delegation, and that in Delaware in favor of the Higgins delegation.

The presentation of the report was met with a violent minority report denouncing the committee on credentials for presuming to accept unchallenged the findings of the national committee. The presentation of the issue fanned into a flame all the bitter animosities in the convention. Mr. Fort of New Jersey and General Grosvenor of Ohio were put forward to champion the report and Mr. Hepburn of Iowa led the opposition.

safety of American society or lessen the opportunities of American labor.

The adoption of sectionalism every star in the American flag shining for the honor and welfare and happiness of every citizen and of all the people. A destitute loyalty that is true and American, and a patriotism eternal as the stars.

The delegates rose and waved their hats, flags and handkerchiefs with a prolonged cheer when Mr. Thurston finished. As the demonstration ceased, by the direction of Chairman Thurston a letter was read from J. Henry Fort, chairman of the committee on credentials, announcing that the committee would be unable to report until afternoon. Thereupon Governor Bushnell of Ohio moved that the convention take a recess until 2 o'clock. The motion was carried.

## TWO SESSIONS.

Great Enthusiasm Among the Delegates and Spectators.

ST. LOUIS, June 18.—The Republican national convention cleared the decks for action. Two sessions were held, one of an hour in the morning and one of three hours in the afternoon. The permanent organization was effected and the permanent chairman, Senator John M. Thurston of Nebraska, assumed the duties of presiding officer and the report of the committee on credentials and rules were received and adopted at the afternoon session. This leaves the battle royal over the platform and the nominating of candidates. It is probable that the platform would also have been disposed of had it not been that the session would have interfered with the mammoth McKinley parade.

Nothing could have been in more striking contrast with the dull, featureless session of the first day than the brilliant, animated and enthusiastic session of the convention on Wednesday.

The hall was packed to its utmost capacity with spectators keyed to the highest pitch of enthusiasm and the hoarse roar of 12,000 voices as it came thundering down to the pit from the black wall of people on all sides, accompanied with waving of handkerchiefs, which made the pulpit best faster. The brief speech of the permanent chairman, Senator Thurston, was warm and eloquent and found ready sympathizers in the vast crowd of people. As he re-

called the fact that he had presided over the convention of 1888 which nominated the last victorious ticket and protested that he is now presiding over one which would nominate the next president of the United States.

The enthusiasm lasted for several moments, the vast audience cheered, yelled and shouted. Tuesday the mention of the names of the great leaders of the party evoked no demonstration. Yesterday it was like applying a match to a powder magazine to mention a distinguished name, and several times when there was no occasion for the exuberant gallantries concluded their explosion with a chorus of shouts for McKinley.

The presentation of the report was met with a violent minority report denouncing the committee on credentials for presuming to accept unchallenged the findings of the national committee. The presentation of the issue fanned into a flame all the bitter animosities in the convention. Mr. Fort of New Jersey and General Grosvenor of Ohio were put forward to champion the report and Mr. Hepburn of Iowa led the opposition.

Senator Teller of Colorado, announced to their colleagues when the plank in the platform was agreed upon by a vote of 49 to 11, that they had reached the parting of the ways, and that nothing remained for them but to withdraw from the convention.

It was thought that there would be violent recriminations and wild words of denunciation when the final announcement of the break came but instead it was the parting of old friends in sorrow, not in anger. The silver men felt themselves swept on by an irresistible and with premonitions of regret they cast the die.

Speeches were made by Senator Teller, who joined the Republican party at its inception and who was an ardent supporter of Lincoln, and who for 20 years has represented his state in the senate of the United States as a Republican, save for two years in the cabinet of President Arthur.

Senator Dubois, the handsome, stately young senator from Idaho, whose father was minister for secretary of state of Illinois by Abraham Lincoln. Young Senator Cannon of Utah, whose father was president of the Mormon Church, and Representative Hartman, the young and vigorous congressman from Montana; Lowman of California; Lemmon, Missouri; Mott, North Carolina, the son of Dr. Mott, the secretary of the silver party, and the delegates from New Mexico, Arizona and Oklahoma, who had voted with them in committee, they, too, made speeches, but did not announce their purpose to withdraw from the scene, which was a most affecting one.

The gold men in the party were filled with compassion and there was not a dry eye in the room while Senator Teller spoke. Senator Cannon and Delegate Mott broke down and wept like children. Senator Lodge, who replied spoke words of tender sympathy as if the occasion were some great personal bereavement.

He eulogized Senator Teller and his colleagues but declared that the representatives of the party could not falter on that account on the money question. When the platform, which is to be presented today, and which was sent out in all its essential details by the Associated Press, is presented to the convention, there will be no disposition to cut off the bolters.

They are honored and respected men, whose services in the cause of the party have been long and faithful, and they will be given ample time to make their final protest before they take their departure from the party with which they have so long been allied. It is not probable that there will be any reply to the silver men at least not an extended one. If Senator Lodge can have his way no bitterness will be engendered.

The general belief is that the convention will adjourn today. The prevailing opinion continues to be that Governor Morton will be McKinley's running mate on the ticket, although the friends of Hobart and Evans claim otherwise and the anti-Platt faction in New York is bitterly fighting his nomination. It is believed that Mr. Hanna is opposed to Mr. Morton, and this fact furnishes the chief grounds for the confidence of the anti-McKinley delegates.

## THE EXACT LANGUAGE.

The Financial Plank, as Agreed Upon, Has a Gold Lining.

ST. LOUIS, June 18.—The following is the financial plank adopted by the subcommittee:

The Republican party is unreservedly for sound money. It caused the enactment of a law providing for the resumption of each specie payment in 1873, since then every dollar has been as good as gold.

We are unalterably opposed to every measure calculated to debase our currency or impair the credit of our country.

We are therefore opposed to the free coinage of silver except by international agreement with the leading commercial nations of the world, when we pledge ourselves to promote, and until such agreement can be obtained the existing gold standard must be preserved. All our silver and paper currency now in circulation must be maintained at parity with gold, and we favor all measures designed to maintain inviolably the obligations of the United States, and our money, whether coin or paper, at the present standard, the standard of the most enlightened nations of the earth.

Senator Teller offered a free silver resolution as a substitute, which was voted down. This will go to the full committee.

The third proposition of Mr. Teller was a preamble reciting that protection was impracticable under the existing coinage of silver was adopted, and the fourth was a proposition which Mr. Fowler of Wyoming requested should be submitted for the coinage of the American product and for a tariff on all foreign silver imported into this country. All of these propositions were voted down by a vote of 5 to 3. Mr. Teller being the only man who voted in the affirmative on any proposition looking to the recognition of silver.

Mr. Teller will submit a minority report on the money plank, but not upon any other features of the platform. The Colorado senator says that the subcommittee was made up unfairly; that the silver men should have had more than one man on the subcommittee, as their representation entitled them to it. Mr. Teller will carry his fight to the full committee, but he has little hope of success, as he does not believe there are more than 10 or 15 men in the full committee who will vote against the subcommittee's resolution.

The building of the Nicaragua canal by the United States government is favored.

The platform committee adopted the financial plank proposed by the subcommittee with a slight amendment by a vote of 10 to 11, Oklahoma being the silverites.

The Ohio delegation has been polled on the president and will vote about 20 for Morton and 15 for Hobart.

A conference has been held between Carter, Quay, Grosvenor and other Ohio men and an effort is being made to have the nomination speeches made before the platform is presented or voted upon. It has been arranged that a son of Colonel Fred Grant shall wave a Cuban flag when the plank relating to Cuba is read.

Permanent Organization Complete.

ST. LOUIS, June 17.—The other con-

vention delegates besides Chairman Tamm on are: Secretary Colonel Charles W. Johnson of Minnesota; assistant secretaries, W. F. Riley of Kentucky, H. P. Smith of Michigan, A. E. Humphrey of New York, A. W. Mansfield of Maryland; official stenographer, James E. Burke of Pittsburgh; vice-presidents, Timothy E. Hyman of Minnesota; assistant secretaries-at-large, George W. Wiswell of Wisconsin, W. W. Johnson of Maryland, W. P. Hazard of Washington, C. F. Stone of Illinois, C. D. Smith of Oklahoma, F. H. Wilson of Missouri; reading clerks, J. H. Stone of Michigan, John E. Malloy of Ohio, H. S. Hatch of Indiana, J. E. Leach of New Jersey; also one vice president from each state.

## THE LADIES DISAGREE.

Hour Don't Seem to Have Their Hats on Straight.

ST. LOUIS, June 18.—The 42 members of the committee on resolutions met Mrs. Lillie Devaux Blake, chairman of the national women's suffrage executive committee and representing President Susan B. Anthony, spoke for a woman's suffrage plank, followed by Mrs. Catherine Waring McChesney for the Illinois association, Mrs. Anna S. Carr, president of the Lake Forest university, for the Missouri association, and others.

There was a stir when Mrs. W. W. W. Carroll of Albany appeared for the Anti-Woman Suffrage Association of New York. She read protests from the associations of the New England and other states against woman suffrage. Her address was applauded by the committeemen, especially on her reference to the woman's revision of the Bible. Mrs. Blake and some of the ladies accompanying her retired to the corridor while Mrs. Carroll was speaking, but returned afterward to hear Mrs. Cairnes reply to Mrs. Carroll.

Mrs. F. H. Ingalls, the Missouri district president, presented the appeal of the Woman's Republican Christian Temperance union for a temperance plank. Mrs. Ellen Foster of Kansas spoke at length for the recognition of

WILLIE DEVOREUX BLAKE  
The Woman's Christian Temperance union and also of the woman suffragists.

General Blackwell of Boston spoke for the women. Judge D. A. Straker of Detroit, president of the National Federation of Colored Men, argued for a resolution against lynching and other acts of injustice against his race.

The committee went into executive session when the three petitions presented were considered and referred to the subcommittee.

## SPEAKER REED WATCHING.

His Friends Believe the Undercurrent Will Land Him on Top.

WASHINGTON, June 17.—Speaker Reed was about his hotel quarters and read the bulletins of the early proceedings at St. Louis. Besides these, the friends of Mr. Reed keep him thoroughly advised on events beneath the surface. He maintains his usual serenity and appears quite as much concerned with his books and with the rearrangement of the portraits in the hall of representatives as with the development of the convention.

A western congressman, who has been active in behalf of Mr. Reed, received a dispatch from St. Louis saying that there was a strong undercurrent in behalf of the Maine man, and that the outcome was not yet free from doubt.

This information was taken with some allowance, as it was felt that the judgment of those on the scene was influenced to some extent by their immediate surroundings.

Mr. Reed's friends here regard the determination in favor of a gold plank as introducing a new phase in the contest among candidates, and one which might operate as an important factor in shaping results if a few days more intervened before the ballot.

## GERMAN-AMERICAN LEAGUE

Will Indorse the Party Declaring For a Gold Standard.

ST. LOUIS, June 18.—The following telegram was received in this city for distribution among delegates to the convention:

"The German-American Sound Money league declares, irrespective of politics, that they will support the party which by its platform, emphatically declares for the maintenance of the gold standard and against free coinage at any ratio. They are supported in this declaration by 350 out of 387 German-American newspapers throughout the country and by nine-tenths of the German-American voters in the doubtful states."

The telegram is signed by Oswald Ottendorfer, William Steinway, Carl Schurz, Louis Winchell, Gustave H. Schwab, Edward Grosser, Dr. John Friedrich, Charles Wehrman, Theodore Sutro, Louis P. Donich, Ewald Pfeiffer, John P. Dodder, Jacob H. Schiff, George Fred Victor.

## National Committee Sustained.

ST. LOUIS, June 18.—Referring to the Delaware contest General Grosvenor congratulated Mr. Hepburn "that, with honored words about fair play, he had

come here to the representative of the largest mound on record." As Governor finished a trifling diversion was provided by a young man in a far corner of the highest gallery, who rose with hat in one hand and umbrella in the other and shrieked for "three cheers for McKinley." On the question of adopting the minority report regarding Delaware and Texas and the judgments of the national committee on remaining contests, the "times" prevailed by great volume of sound, and the minority report was rejected in sections and as a whole.

On the question of adopting the majority report the "times" were clearly loudest and no demand was made for a rollcall, every one having been satisfied by the test vote.

General Harry Bingham of Pennsylvania, who has been secretary of three Republican national conventions, and who is chairman of the committee on rules of the present convention, presented the report of the committee. General Bingham makes a picturesque figure.

District of Columbia Deadlock.

ST. LOUIS, June 18.—There is a dead-

lock in the District of Columbia delegation over the appointment of a member of the national committee. Colonel Perry Carson, the colored leader, who has represented the district since 1891 on the committee, is willing to retire, but the proposition to put a hand in the selection of his successor, Andrew Gleason, who has enjoyed an amiable distinction of the leadership with Colonel Carson, demands the appointment of Frank B. Conner, a white Republican opposed to Carson. Carson refuses to agree to this. Carson and Gleason compromise the delegation and it seems probable that the District of Columbia will be unrepresented when Carson's term expires at the close of the convention.

## Fatal Cloudburst.

ELIMBA, N. Y., June 18.—A cloudburst occurred in the vicinity of Watkins and Addison, near this city, which washed away the Northern Central tracks at Watkins and stalled several passenger trains near Addison. The storm caused considerable damage to farm property. The storm extended to Cassadaga.

## TO CURE PILES.

A Remedy that will do it and is

## PERFECTLY SAFE.

We take pleasure in calling attention to a new pile cure which has been remarkably successful in curing every form of itching, bleeding or protruding piles. The remedy is known as the Pyramid Pile Cure and is recommended by the best medical authorities on account of its absolute safety, ease of application and instant relief from pain.

The Pyramid Pile Cure contains no opium or other poison and does not interfere with daily occupation while using. People who believed nothing but a surgical operation would cure them have been astonished at the results from a single 50 cent package of the Pyramid.

Mrs. Mary O. Tyler of Heppner, Ore., writes: One package of Pyramid Pile Cure entirely cured me of piles from which I have suffered for years, and I have never had the slightest return of them since.

Mr. E. O'Brien, Rock Bluff, Neb., says: The package of Pyramid Pile Cure entirely removed every trace of itching piles. I cannot thank you enough for it.

The Pyramid Pile Cure is sold by all druggists at 50 cents and \$1 per package.

Treatise on cause and cure of piles mailed free by addressing Pyramid Co., Albion, Mich.

## THE VALIANT WHITNEY

He Gives Up the Pleasure of a European Trip.

## A CRISIS FOR DEMOCRACY.

The Ex-Secretary Thinks the Democratic Party Needs Wise Heads at the Chicago Convention to Work for a Gold Standard.

New York, June 18.—W. C. Whitney did not sail for Europe, as he intended doing, but will attend the Chicago convention. Mr. Whitney said that he could not think of going abroad and deserting his party at a critical time. "Certainly," he added, "the Democratic party is about to witness a crisis in its career. It is on the verge of disruption, and at such a time I think every one who can help hold it together ought to give all the aid in his power."

The crisis, Mr. Whitney said, was created by the forcing of the currency issue. He expected to find at Chicago as vigorous a party on the side of the gold standard as there is in the Republican convention at St. Louis. He added: "It may not be so large and it may not predominate, but a vigorous fight will be made by it. I think that it is my duty to go to Chicago and as one who is in favor of gold."

Mr. Whitney said it had not yet been decided whether he should go to Chicago as a delegate-at-large or as a private citizen.

## STRUCK A ROCK.

A Midnight Horror on the Waters—Lives Lost.

Brest, France, June 18.—The British steamer Drummond Castle, Captain N. W. Pierce, from Capetown for London, struck a rock on the coast at midnight and sank three minutes later with 144 passengers and 100 officers and crew on board. Two men were picked up floating on some wreckage by fishermen off Ushant, near which point the steamer went down. It is hoped, however, that some of the passengers and crew escaped in the boats.

When a dispatch from Ushant announced that the Drummond Castle struck a rock while hugging the French coast instead of being in collision with another steamer, it was conceded that there could be few survivors. Six bodies have been washed ashore on the island of Ushant. The vessel sank and disappeared entirely in about three minutes after striking.

Only two boats were launched and one of these is believed to have been capsized. The passengers are thought to have been asleep when the vessel struck.

The Castle line officials have issued a statement saying the Drummond Castle struck a rock and was not in collision with an unknown steamer.

The Drummond Castle belonged to the famous Castle line of steamships running between South Africa and London. She was of about 2,350 tons register and was last heard of at La Palmar, Canary islands, on June 12, Friday last. Tugs have been sent out from this port to the scene of the disaster in the hope of picking up some survivors.

The sole survivor at Ushant of the Drummond Castle is a man named MacQuart. Six bodies have already been recovered there. One is that of an officer of the lost steamship and another is that of a girl six years old. Two additional survivors of the sunken steamship are at Isla De Molene.

## A Marquis Killed.

PARIS, June 18.—A dispatch received here from Tunis announces that a report is current there that the Marquis de Mores, well known in New York and the western part of the United States, has been killed south of Tripoli. It is added that all of the De Mores party, to the number of 35, were massacred. He was on his way, according to report, to the Sudan in order to enlist.

## A Destructive Blaze.

SANTA FE, N. M., June 18.—The main building of the Sisters of Charity, known as the Santa Fe sanitarium, was entirely destroyed by fire. The hospital was damaged by water. An adobe building adjoining was damaged by cutting away the portal. The orphan asylum was saved. Loss, \$70,000; insurance, \$8,000. The mother house of the order is in Cincinnati.

## Maine Democrats Favor Gold.

PORTLAND, Me., June 18.—The Democratic state convention elected delegates-at-large to the national convention at Chicago. References in the speech of C. F. Johnson to ex-Governor W. E. Russell of Massachusetts, were greeted with applause. The platform declared in favor of a gold standard against the free coinage of silver.

## Country Cutting Scrap.

COLUMBIAS, O., June 18.—Henry Newmister, a well-to-do farmer living near Urbancaster, is locked up at the county jail on the charge of cutting Wesley Spellman to kill. Spellman's horse was foraging in the prisoner's millet field. The men had words. Subsequently Newmister cut his assailant in the back.

## A Terrible Fall.

NEW YORK, June 18.—L. P. Hanson, a member of the city council of Fremont, Neb., fell from the fourth story window of the Hotel Delmark and sustained a fracture of the skull and several lacerated wounds in the face. His condition is serious.

## D'ASTROUS EARTHQUAKE.

Whole Town Destroyed and Many Lives Lost.

Yokohama, June 18.—News of a terrible disaster, involving the loss of over 100 lives, has reached here from the island of Yesso, which contains the northern provinces of Japan, including Shikoku, O-hama, Pan, Hataka, Tokushima, Ishikari, Kirishiro, Teshima, Kuroshima and Nemuro. All these sections of the island seem to have been more or less shaken. The subterranean disturbances lasted about 20 hours, and during that period the almost total prostration of the ground renderings are described as resembling the roaring of distant cannon. Shock followed shock, in almost uninterrupted succession, about every eight minutes. In all it is estimated that the waves of nature of more or less force.

It is impossible to obtain, for the present, accurate details of the disaster, as communication between the mainland of Japan (island of Honshu) and Yesso, from which the former is separated by the Strait of Tsushima (Sanger), is said to be interrupted, or, more likely, in the hands of the authorities. The whole town of Kamaishi, however, is reported to have been destroyed.

The awful series of earthquake shocks were accompanied by a tidal wave, and it is believed that it was this rush of a giant wave from the sea which practically wiped out the town of Kamaishi, which is situated toward the Japan sea on a narrow neck of land separating it from Volcano bay on the Pacific side of the island.

The island of Yesso has in the past had several similar visitations and contains a number of active and extinct volcanoes.

Rumor has it that the number of lives lost and the amount of damage done is far in excess of the figures contained in the brief official dispatch.

A full official report of this great calamity has been asked for and is expected shortly.

It is feared that disasters to shipping must also have resulted from the tidal wave.

## GREAT FAMINE THREATENED.

Prosperous Portions of China Thrown Into Misery and Suffering.

SAN FRANCISCO, June 18.—A terrible famine which threatens to plunge the most prosperous portion of Tonkin, China, into the direst misery for many years is desolating the country. The harvest has been a failure and the natives throughout the whole of the country are in the most miserable condition.

In Hanoi, the other day, a mother offered her three infants for 8 cents, preferring to hand them over to a European rather than see them perish from hunger in her arms.

Inhabitants emigrate from the country on mass to the cities to beg for sustenance, while many others are going about pillaging and perpetrating acts of the grossest violence.

Several cases of cholera are reported from the provinces where the famine has been felt most severely.

## Glass Companies at Law.

PITTSBURGH, June 18.—Referring to the suit brought by the Pittsburgh Plate Glass company of Chicago against the Pittsburgh Plate Glass company of this city President Ford of the latter company said he had not heard of the suit, but expressed himself as pleased that it had been made as it would save his company from the trouble of bringing a similar suit against the Chicago people.

"The Pittsburgh Plate Glass company of Chicago," said Mr. Ford, "has been formed and a charter obtained with a capital stock of \$2,500. The company has assumed the name of car company."

## Medal of Honor League.

BOSTON, June 18.—The seventh annual convention of the Medal of Honor Legion opened at Faneuil hall. Delegates were present from all parts of the country. General Nelson A. Miles was unanimously elected president and Major General Theodore S. Peck, adjutant general of Vermont, was elected senior vice president.

## Cuban Troops in Stroubles.

HAVANA, June 18.—Small engagements in several parts of the island are reported. Pepe Roque, an insurgent leader, is among the 33 insurgents reported killed. One lieutenant and four soldiers killed is the reported loss of the troops.

#### OFFICIAL CALL

For the Democratic National Convention.

The Democratic national committee having met in Washington, January 16th, has appointed TUESDAY, JULY 7th, AT 12:00 O'CLOCK NOON, and chosen the city of Chicago as the place for holding the Democratic national convention. The Democratic national committee has decided to double the number of its Senators and Representatives in Congress and each territory and the District of Columbia have two delegates. All Democratic conservative citizens of the United States, irrespective of past political affiliations and preferences, who are in favor of the effort for pure government and constitutional government are cordially invited to join in sending delegates to this convention.

S. E. CHERKIN, Secretary. W. F. HARRITY, Chairman.

#### COUNTY DEMOCRATIC TICKET

For Probate Judge, THEODORE D. BOBB.

For Clerk of the Court, U. M. SHAPPELL.

For County Auditor, PHILIP WALTHER.

For County Recorder, ABRAHAM HARRIS.

For Prosecuting Attorney, J. C. RIDENOUR.

For Infirmary Director, ELLI MEORLING.

For Commissioner, T. C. BURNS.

It begins to look like the effort to drive a silver wedge in the Republican national platform will result in failure. The fellows making the trial say that unless they succeed, they will bolt. To these the St. Louis Globe-Democrat says: "Bolt and be damned."

While speaking kindly of John Spian and "Blondie Hayes," it would be supreme injustice to omit saying that the Hon. Philapena Blume, of Wapakoneta, as a starter, is as far ahead of the gentlemen occupying that position this week, as the three minute trot is ahead of the two ten pace.

Hon. Chas. Foster has been invited to address the Credit Men's Convention, that is meeting in St. Louis this week. The committee having the selection of speakers in charge could not have made a wiser selection, for certainly if Charley knows more about one thing than another it's credit.

The St. Marys convention is at an end, after a long and dilly-dallying process, through which the honor fell to the lot of Shelby county, the home of that moral but smooth statesman, Ben Le Fevre. The mantle falls on the shoulders of Hon. Geo. Marshall, and there is much rejoicing. Generally, the nomination gives satisfaction to all, Mr. Marshall being recognized as a sterling and able Democrat. It would, of course, have been highly satisfactory had the nomination gone to Mr. J. H. Berryman, of this county, but the battle over, that gentleman expresses himself as thoroughly well pleased in the united and untiring support of the forty-four delegates, who stood firm until he deemed it the part of wisdom to release them, free to go to whom they saw fit.

Mr. Marshall, of course, stands firmly upon the declaration of principles, and as that seems to be the prevailing sentiment in this district, his election is a thousand fold surer than his nomination was last Tuesday morning.

## BIG FIELDS.

A Large Crowd Enjoyed Yesterday's Races.

### SOME EXCELLENT RACES.

Three Big Events Carded for To-day—Shelby to Finish Two Races on Account of Darkness—A Lima Horse a Favorite.

A large crowd was present yesterday at the fair grounds to see the second day's races. The grand stand was filled with an enthusiastic crowd, composed about equally of ladies and gentlemen. Every condition was favorable for as good racing as the day previous, but the different contests were not so close and exciting as were the races the first day. The weather was warm and the wind mild. The track was dry and in splendid condition. There was considerable delay at times which was unavoidable. At most times the horses were started with but little jockeying or scoring. The crowd was an orderly one, and was generally pleased with the judges' decisions. The favorites were not so successful in drawing the pole as they were on Tuesday. The starter did not have such a large a field to handle as he had on Tuesday, and was able to give the word to the drivers a little more promptly. Four events were carded for the day, but on account of darkness only two were finished, and only two heats in the 2:10 trot and 2:30 pace were given. These two races were finished the first thing this afternoon.

The hippodrome performance lent variety to the entertainment, and was greatly enjoyed. The double team running race, made in fifty-seven seconds, was exciting, and the race between the hounds and the lady rider was a novelty that was greatly appreciated. The trained riderless horse also appeared and was universally admired.

In the 2:30 trot ten horses started. Big York won the heat with Victor Wilkes a close second and Flying Dick third.

#### 2:30 TROT.

In the second heat the horses were started after a little scoring. Victor Wilkes lead from start to finish, closely trailed by Morganwood. Big York acted badly and broke on the back stretch and fell back, but finished a good third. As the horses came under the wire they were considerably scattered. The time was three-quarters of a second slower than the first heat.

In the third heat the horses got off on the first score. It was a pretty race between the leaders. Big York at the three-quarter pole broke and ran for an eighth of a mile. He finished first, but was placed third, for he did not comply with the rules after breaking. Victor Wilkes was given first place and Morganwood second.

Victor Wilkes won the fourth heat as easily as he did the others, and won the race. Big York came second, with Espy Boy third. The horses came under the wire quite a distance apart.

Victor Wilkes won first money, Big York second, Morganwood third and Espy Boy fourth.

#### Time for the last heat, 2:20.

#### 2:40 PACE.

The 2:40 pace brought forth a field of ten horses, Elo E. Beau Ideal, C. J. & M. and Red Bird having been withdrawn.

Considerable delay was occasioned by the bad acting of Tenna M., a horse owned by A. F. Bessie, of Beaver Dam, O. While scoring the horse reared in front of the grand stand and broke the sulky. She was hatched to another sulky, and as soon as brought out onto the track began to jump and rear. She threw her weight back onto the sulky again and crushed it. The judges announced that the race would be started without her. After the second score the horses got off well together. Aeroplase drew the pole and surrendered it to Silk Woodnut. It was a pretty race. Silk Woodnut led the first half, when E. M. H. took the lead and kept it to the three-quarter pole, when Silk Woodnut forged to the front and won by a length. Dolly Spencer was third, two lengths behind. Domino, Claude and Dick Brown were slow and cut off by the flag.

In the second heat, Silk Woodnut took the lead from the start and never lost it. He finished in a walk. The heat was void of any interest. E. M. H. and Dolly Spencer finished as they did in the former heat. Joe Ashley and Red Rose were distanced.

The third heat finished the race. Silk Woodnut broke on the first half but soon settled down and made a beautiful finish, winning the heat and race. E. M. H. and Dolly Spencer came under the wire 2nd, 3rd and 4th. The race was won as they finished in this heat.

#### 2:10 TROT—\$100.

The 2:10 trot was started after considerable delay with only five horses. Lillian S. and Beattie Wilkes were scratched and Lillie Young was barred by the American Trotting Association for having an outstanding entrance fee unpaid. Geddes drew the pole. It was the most interesting race of the day and was warmly contested. Satin Slippers sold favorite and was held in a pocket, until she reached the pole when an opening was made. She pushed to the front and came first under the wire.

with Nappa following a length behind. Almontine was given third and Geddes fourth place.

The second heat proved the most exciting event of the afternoon. Satin Slippers lead the field but at different times it looked as if Geddes or Nannie would have a show for first. Geddes on the stretch broke. Nannie moved to the front and came in second, but owing to her continued breaking was placed last. Almontine was given second place, Willow third and Geddes 4th.

#### 2:30 PACE.

In the 2:30 pace six horses scored. It was an easy thing for the Lima horse, Myrtle French, owned by C. S. King. Joe Mooney sold as favorite, but at no time had a ghost of a show to win. He and Ella B were both distanced. May B came 2nd, Trilix Douglass 3rd and Myrtle L 4th.

The second heat ended in the same order as the first. May B led in the first round, but Myrtle French came to the front on the last lap, and finished by a good length.

### SHELBY COUNTY.

(Continued From Eighth Page.)

from Allen county, another recess was taken. During the recess the Darke county delegation held a conference, and their candidate, Trainor, decided to withdraw, and the majority of his constituents determined to nominate Marshall, the Shelby county candidate, while the Allen county delegation decided to place Marshall in the nomination. No one seemed to know just how Auglaize county would cast the next vote, but when the convention was again called to order, every one in the house felt confident that the nominee would be chosen upon the 401st ballot.

Immediately after the call to order Mr. Trainor mounted the stage and addressed the convention, saying that in the interest of Democracy and the Fourth Congressional district of Ohio, he had decided to withdraw from the race, but pledged himself to stand by the nominee, whomever he should be. He closed by saying that he would always be found, when wanted, ready to work for the cause. The convention applauded Mr. Trainor for his loyalty, and the secretary was instructed to call the roll for the next ballot. It resulted as follows:

	Marshall	
Allen	38	
Auglaize	31	
Darke	37	
Shelby	32	
Totals	85	106

#### MARSHALL, OF SIDNEY, WINS.

Chairman Mooney declared Mr. Marshall duly nominated and appointed the chairmen of the different delegations a committee to inform him of his success. Mr. Marshall entered the house a few minutes later and as he came before the audience he was greeted with tremendous applause. He made a brief address, thanking the convention for the honor bestowed upon him, and stated that when elected to the office for which he had just been nominated, he would work earnestly for the cause of Democracy and the interests of the people.

After Mr. Marshall had concluded his remarks the chair announced the election of two delegates to the National convention next in order. Geo. W. Disman and John H. Berryman were nominated from Allen county, but the latter declined the nomination. Auglaize county nominated R. B. Gordon, Jr., and Darke county nominated Judge J. C. Clark. Mercer and Shelby counties had no candidates.

The first ballot was taken and Mr. Gordon was the first successful nominee, he receiving 38 votes from Auglaize county, 44 from Darke, 32 from Shelby and 1 from Allen. Disman received 43 from Allen and 30 from Mercer. For the second choice Clark, of Darke county, was elected by receiving 38 from Auglaize, 44 from Darke and 32 from Shelby. Disman received 44 from Allen and 33 from Mercer.

For alternate delegates to the national convention Geo. W. Disman and O. W. Baker, both of this city, were elected by acclamation.

For presidential elector Mr. M. H. Trautner, of Darke county, was nominated and elected by acclamation. The adoption of a resolution authorizing the congressional committees to fill any vacancies that might occur, concluded the business of the convention, and after tendering the citizens of St. Marys a vote of thanks for their hospitality, the convention adjourned.

A more orderly convention was never held than was this Democratic Congressional convention at St. Marys. During the entire session the convention had many lady visitors, and notwithstanding the unusual length of the session, the delegates were at all times in the most pleasant humor, and nothing occurred to mar the peaceful harmony of the convention.

## TWO PRETTY WEDDINGS.

That Occurred in this City at 8:30 O'Clock Last Night.

Mr. Elmer Morris and Miss Anna McComb and Mr. Chauncey H. Bogardus and Miss Cora Platt the Happy Ones.

Two very pretty weddings occurred in this city at 8:30 o'clock last night. One was at the residence of Mr. and Mrs. John McComb, 416 north Pine street, and the other took place at the home of Rev. Atkinson Berry, 335 west Kibby street. The happy young people are all well known and popular among hosts of friends.

#### M'COMB MARRIAGE.

The marriage of Mr. Elmer Morris and Miss Anna McComb was announced in the TIMES DEMOCRAT several days ago as an approaching event. The bride is a very estimable young lady who until recently was assistant book-keeper at this office. Mr. Morris, the groom, is employed as a salesman at P. A. Hume's furnishing establishment and is an excellent young man. The invited guests assembled to witness the marriage at the home of the bride's parents, Mr. and Mrs. John McComb. The ceremony was performed by Rev. J. H. Bethards, of Trinity M. E. church, and was very impressive. The bride wore a beautiful gown of white silk and carried brides' roses.

The ceremony was followed by the usual congratulations and an elaborate wedding supper. Mr. and Mrs. Morris were the recipients of many beautiful and costly presents, and have the best wishes of their hosts of friends and acquaintances throughout the city.

Among the guests were Mrs. Geo. Crain and daughter, of Warsaw, Ind.; Mr. and Mrs. J. O. McCulloch, Miss Ida Belford, Mr. and Mrs. J. W. Morris, and Mr. and Mrs. O. B. Morris, of Fostoria; and Mrs. W. P. Morris, of Ft. Wayne.

#### PIATT-BOGARDUS.

The wedding of Mr. Chauncey H. Bogardus and Miss Cora A. Piatt was a notable event and a genuine surprise to even the guests who witnessed the ceremony.

To-day being an anniversary of the birthday of Rev. Berry, Mr. Bogardus and Miss Piatt persuaded him to entertain a few friends last evening, in honor of the event. About twenty of the immediate friends of the bride and groom, were invited, with the understanding that they were to celebrate Rev. Berry's birthday anniversary, and at 8 o'clock all were assembled at the latter's residence on west Kibby street. At 8:15 o'clock Mr. Bogardus handed Rev. Berry a marriage license, and at 8:30 o'clock the marriage ceremony was performed. The bride and groom intended to surprise their friends, and succeeded admirably. When the guests recovered from their surprise they congratulated Mr. and Mrs. Bogardus and the birthday celebration was made a wedding celebration, and appropriate refreshments were served during the evening.

Mr. Bogardus is a printer, employed in the composing department at this office and is an exemplary young man. He is the youngest son of Mr. and Mrs. A. G. Bogardus, of 684 South Union street. His bride is the daughter of Mr. and Mrs. A. J. Piatt, of West Kibby street, and is an accomplished and estimable young lady. Both Mr. and Mrs. Bogardus are prominent members of Grace M. E. church and also of the Epworth League society of that church. They will soon commence housekeeping in their own home on Albert street.

Extraordinary Exhibition at Riverside Park, Quincy, O., next Sunday, June 21st. 50 Cents Round Trip.

Miss Cora Beckwith, the champion lady swimmer of the world, will give her novel exhibition of swimming, diving and other aquatic maneuvers at Riverside Park, Sunday, June 21st. For this occasion the Ohio Southern will run two special trains, leaving Lima at 9:30 a. m. and 1 p. m. 50 cents round trip.

Lillie Shaw Sues Milton Shaw for a Divorce.

Extreme Cruelty and Neglect the Cause of the Action. Married in 1891.

Lillie Shaw has filed a petition in the Probate Court for a divorce from Milton Shaw.

The plaintiff says she is a resident of Allen county, and that she was married the 23d of May, 1891, and that one child has been born to them. She states that the defendant has been guilty of extreme cruelty toward her, and that on the 19th of February he struck her with his fist, knocking her down three times in succession, after which he deserted her and the child, leaving them without provisions or fuel, and since that time has wholly neglected to provide her and the child with the necessities of life. She has been compelled to live upon the charity of friends and her own labors. He has threatened to take the child, and she prays for a divorce and that she may be decreed the custody of the child, and that she may be granted any such other relief as the court may see proper.

**FREE BOARD.**

William C. Stocum Arrested for Jumping a Board Bill—Given Thirty Days Sentence.

The fifteenth of May W. C. Stocum jumped a board bill of five dollars at the Hoffman House. Aker & Hopkins had cards printed giving a description of the man. Monday word was received from Gallion that the man Stocum had been arrested and was being held for instructions. A warrant was sworn out before Squire Atmure and Constable Miller left for Gallion to secure the individual and returned with him yesterday afternoon.

When brought before the justice he at first plead not guilty to the charge of absconding with intent to defraud. He consulted his lawyer and was advised to change his plea, which he did. The justice sentenced him to 30 days in the Dayton work house and to pay a fine of thirty dollars. He was taken to his place of imprisonment this morning.

**FIVE DAILY TRAINS.**

The Improvement of the C. H. & D. Train Service in Cincinnati

With the C. H. & D.'s change of schedule on the 20th, the road will have five daily trains between Toledo and Cincinnati. The equipment of these trains will be entirely new and will make the C. H. & D.'s service as good as any other north and south line in the country. One train will be a solid vestibule which will be equal to anything on wheels. The time of all through trains will be shortened to five hours and thirty minutes. I. N. Parey, of Cincinnati, the master mechanic, was in the city this morning in consultation with Foreman Keebe in regard to the new time card, which goes into effect next Sunday.

## LIFE THREATENED.

Daring Attempt at Robbery Early Last Evening.

A daring attempt at highway robbery was made last evening about 3 o'clock at the wholesale meat market of H. E. Shutt, on North Main street.

During the early part of the evening two strangers came into the shop and asked O. W. Thomas, the bookkeeper, for something to eat. They were refused and left. Soon afterward they returned when he was alone.

One drew a revolver and stated, "We must have something to eat." He offered them some bologna when they remarked "that was not good enough for them," and demanded his watch.

This he refused to give up. They then started toward the door but returned and placed the gun in Thomas's face and threatened to kill him if he refused to hand the watch over.

Thomas was very much alarmed, when they left, telling him that if he yelled they would shoot him.

Two men were in the office when the robbers entered, but when they saw the revolver became scared and ran out of the shop.

Thomas notified the police as soon as the robbers left, but they could be found nowhere when the police arrived.

## MR. BERRYMAN WITHDRAWS

Marshal Was Nominated on the 101st Ballot at 10:30 o'clock Last Night—Delegates to National Convention Chosen.

At 10:30 o'clock yesterday afternoon the convention was called to order by chairman Judge Mooney, and the 101st ballot was taken, resulting as follows: Berryman 55, Marsh 44, Marshall 42 and Trainer 30 votes. Allen county gave Berryman 44 votes and Auglaize county gave him 11 votes.

## THE CANDIDATES SPEAK.

On the 101st ballot the Darke county delegation went over to Berryman, giving him 75 votes in all, Marsh 44 votes and Marshall 42 votes. The result of the 101st ballot was the same as before the 100th was cast, and after it was announced by the secretary, C. A. Layton, of Auglaize county, moved to break the monotony by hearing an address from each of the four candidates, no address to continue over five minutes. The motion of Mr. Layton prevailed by a unanimous vote, and chairman Judge Mooney appointed a committee consisting of Hon. W. B. Richie, of Lima; C. A. Layton, of Auglaize county, and Ad. Meeker, of Darke county, to wait upon the candidates and have them prepare at once for their informal addresses. During the interval the Imperial band, of St. Marys, played "The Campbells are Coming," amid the thundering applause of the convention.

The first to address the convention was Allen county's candidate, John H. Berryman, who was introduced by the chairman. He said in part:

"Ladies and gentlemen: I was not prepared to make my speech so soon. You all know that I am a farmer and not an orator. I am pleased to have the honor of addressing these intelligent delegates, who are here, one and all, for the cause of Democracy. (Applause.) It has been said that Berryman is for silver, and it has been said that Berryman is for gold. Gentlemen, I wish to say that Berryman is for silver. The financial problem is the problem that shall and must be considered, and gentlemen, if you consider me worthy of being your representative, remember that I am in favor of silver, and in favor of a merchant marine that will carry our products to the neighboring countries."

Mr. Martin D. Trainer, of Darke county, was the second candidate introduced by the chair. He is an eloquent speaker, and like Mr. Berryman, is also for silver.

The third speaker, introduced was Mr. George A. Marshall, of Shelby county. He also announced himself as being for silver. "The Sherman bill," he said, "that demonized silver, was the most outrageous bill ever passed."

A. D. Marsh, of Mercer county, being the fourth and last candidate introduced, like the other candidates, announced himself a silver candidate. He censured the Republican congress for demonizing silver, and said that he was one of the Democrats in favor of free and unlimited coinage of silver. He wanted to see silver restored to the place it held prior to 1873. He closed by saying that whatever the pleasure of the convention might be, with that he would be content.

The balloting was resumed, and resulted the same as before the speeches, until after the 290th ballot had been cast, when a motion for a recess of fifteen minutes was made and carried.

After the recess, the 301st ballot was taken and it resulted as before, Allen county giving Berryman 44 votes, Auglaize giving 11 votes for Berryman, 10 for Marshall, 11 for Marsh, and 6 for Trainer; Darke county giving Trainer 44 votes, Mercer county giving Marsh 33 votes, and Shelby county giving Marshall 32 votes.

After the 310th ballot was cast, John Walsh, one of the delegates from Allen county, moved that the convention adjourn to meet again in Lima in two weeks. Upon the motion every county voted nay except Allen county, which voted 7 yeas and 37 nays. Balloting was resumed after the motion of Mr. Walsh was defeated, but the result of each ballot was as before, until after the 315th ballot had been cast, when J. F. Lindemann, of the Allen county delegation moved to allow another recess of 15 minutes, and the motion prevailed.

## BERRYMAN WITHDRAWN.

At 7:30 o'clock the convention was called to order, and the 316th ballot was taken. It resulted as before the adjournment. The balloting continued until after the 320th ballot had been taken, when J. C. Ridenour addressed the convention, saying that in behalf of John H. Berryman, of Allen county, he wished to thank the delegates, and especially the Allen county contingent, for their loyalty to the delegate mentioned, and that in the interests of Democracy, Mr. Berryman had decided to withdraw.

## THE DARK HORSE TROTTED OUT.

Chairman Mooney also announced the withdrawal of Mr. Berryman and the 321st ballot was called for by the

secretary. It resulted in Allen county giving Marsh 21, Marshall 7, Trainer 14 and R. B. Gordon 2 votes. Auglaize county went solid for Gordon, the dark horse, giving him 35 votes. Mercer county gave Marsh 33 votes, Darke gave Trainer 44 votes and Shelby county gave Marshall 32 votes, making the totals as follows: Marsh 54, Trainer 54, Marshall 40, C. Gordon 40. When the 323rd ballot was called for a number of the Auglaize county delegation moved that that delegation be granted a recess of 15 minutes. The motion prevailed.

At 4:45 o'clock the convention was again called to order and the 323rd ballot was taken. Allen gave Marsh 23, Trainer 14 and Marshall 7. Auglaize county gave Marsh 16, Marshall 15 and Trainer 4. Darke gave Trainer 42; Mercer gave Marsh 33; Shelby gave Marshall 32 votes.

The balloting continued with the only change from the above being an occasional gain of one to three votes by Marsh from the Allen county delegation, in which Trainer lost, the same number until the 330th ballot to which Trainer gained two votes in Allen county and Marsh lost. The balloting continued with but little change until the 339th ballot when Allen gave Marsh 29 votes and Darke county broke and gave Marshall 6 of her 44 votes, the other 38 staying with Trainer.

The 343rd ballot was taken at 5 o'clock and resulted in no candidate being chosen, although Marsh received 32 votes from the Allen county delegation. A motion to adjourn until 7:30 o'clock was made and carried.

## THE LAST SESSION.

Last night the convention was called to order at 8 o'clock by chairman Judge Mooney, and the 344th ballot was taken. It resulted as follows: Allen county gave Marsh 32, Trainer 9 and Marshall 3 votes; Auglaize county cast 12 for Marsh, 8 for Trainer and 18 for Marshall; Darke cast 44 for Trainer; Mercer 33 for Marsh, and Shelby 32 for Marshall. The totals being Marsh 77, Trainer 61 and Marshall 53.

The balloting continued the same until the 352nd ballot, when Marshall gained three of Trainer's votes from Allen county, making his total 56. In the 353rd ballot Marsh gained one of Trainer's votes from the Auglaize county delegation.

In the 371st ballot, R. B. Gordon, the Auglaize county dark horse, was again mentioned, but received only 1 vote, that one being cast by an Allen county delegate. The next vote was the same as before Gordon's name was called. In the 374th ballot, Marsh again gained by receiving 35 votes from Allen county. His total was 91 votes. The other counties voted as before.

When the 391st ballot was cast, Marsh again received 35 votes from Allen county, but the other delegations voted as before, and upon motion a recess of fifteen minutes was taken.

After the intermission balloting was resumed, and upon the 393rd ballot Marsh received 37 votes from Allen county, but that was the only change from the votes cast just prior to the recess.

When the 394th ballot was cast Marsh received 38 votes from Allen county, but as yet no candidate was chosen.

Upon the 397th ballot there was a delay of five minutes caused by Auglaize county, which finally cast 8 votes for Marsh and 30 for Marshall, making the latter's total 70 votes.

## TRAINER WITHDRAWS.

In the 400th ballot Marshall won another vote from Marsh in Auglaize county, and then, upon a motion

## THE GOLD PLANK

Adopted at the St. Louis Convention To-day.

## THE VOTE WAS EIGHT TO ONE

The Yellow Metal Vanquished the White, and the Bankers' Money will be the Coin of the Realm if This Convention Can Make It So.

St. Louis, June 18.—The National convention was called to order at 10:30 o'clock this morning. The first business was hearing the report of the committee on resolutions, which was at once read by ex-Governor Foraker, of Ohio, chairman of the committee on resolution. The appearance of Mr. Foraker upon the platform created more enthusiasm, and elicited greater demonstration than anything that has occurred at the convention.

The Cuban sympathy resolution elicited much enthusiasm from the delegates, and the tariff beneficiaries also applauded when the protection plank was read.

When Foraker had finished reading the majority report Senator Teller presented the minority (free silver) report. A great outburst of applause went up at the beginning of Teller's speech in favor of a free silver plank. The platform declares that the existing gold standard should be maintained, opposes free coinage of silver, pledges protection of American industries, favors reciprocity and just retaliation, endorses Harrison's administration, denounces Democratic rule, favors protection on sugar, endorses the extension of civil service; opposes use of money for sectarian purposes, favors liberal pensions, advocates government construction of the Nicaragua canal, favors restriction of immigration and favors good offices and the rapid interposition for restoration of peace in Cuba.

When the financial plank was reached wild enthusiasm broke out. Especially was this so when the existing gold standard was declared for.

Senator Teller made a vigorous speech in support of the silver report presented by a minority of the resolution committee. He declared his loyalty to the party as he had known it before, but said he could not remain with it pledged to a gold standard. He said it was a matter of principle and not of policy, with him. His speech was brilliant and eloquent and the goldites frequently tried to drive him from the floor by hissing him. When Teller finished there were calls for Foraker from all over the hall but he did not respond with a speech.

The motion to lay minority resolutions report on the table carried by a vote of 818 to 105.

Great confusion prevailed during the roll call. On the adoption of the gold plank of the platform there was much stir among the delegates and it became necessary for Chairman Thurston to make a vigorous request for order. During the roll call, on the motion to lay minority vote on the table, the Alaska delegates voted aye, and after they had been passed, they created considerable amusement by asking what they were voting on. When the chairman explained, they exclaimed they had voted right. The gold plank was adopted 818 to 110.

## REED'S NAME PRESENTED.

At 2:30 o'clock this afternoon Senator Lodge delivered his address placing Reed's name before the convention. He was repeatedly applauded

ed by the friends of the czar. The nomination was seconded by Littleford of Maine.

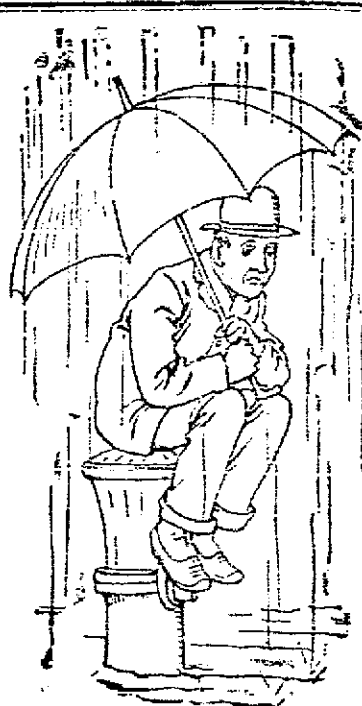

## LEG BROKEN.

Engineer Henry Dean Injured in a Runaway this Morning.

About 10 o'clock this morning Engineer Henry J. Dean, of the L. & N. W., had his left leg fractured at the ankle by jumping from his buggy in a runaway.

Mr. Dean was driving out west Kibby street and his horse becoming frightened started to run, and as the buggy was about to crash against a telephone pole he jumped out to save himself and sustained the fracture.

He was carried into Ed Reilly's residence, at 790 west Kibby street, where Dr. Kahle reduced the fracture and then removed the injured man to his home at 126 Circular street.
